

PRACTICE POLICIES & PROCEDURES

Update for Indoor Practices

The BSC has developed the following *Practice Policies and Procedures- Update for Indoor Practices* using the mandates set forth by New York State and the Eastern New York Youth Soccer Association. It is the expectation of the BSC that all participants will adhere to the following policies and procedures.

General Comments

- All individuals must practice social distancing at all times, **which includes wearing a facemask.**
- All in attendance must practice respiratory etiquette by covering coughs and sneezes with tissue or inside elbow.
- We have a strict limit regarding the number of people inside the facility. **The club is allowing only players and coaches in the building during practice sessions.** There will be no spectators permitted inside the building during practices.

Prior to Arrival at BSC Soccerplex

- Temperature Check – Players must have their temperature taken the day of practice prior to arriving at the Soccerplex. Players should not attend if temperature is above 100 degrees.
- Parents must complete online [COVID-19 screening](#) the day of practice prior to arriving at the Soccerplex. This is mandatory and it is the expectation of the BSC that all participants will comply. The club will be comparing daily roster to make sure everyone has completed the survey. Please note that non-compliance may result in exclusion from future training / competitions.
- Screening is related to the COVID-19 pandemic and includes questions regarding:
 - Current illness including any signs or symptoms related to COVID-19 in the past 14 days.
 - Exposure to someone who is currently ill with COVID-19, tested positive for COVID-19 or is presenting related signs or symptoms?
 - No Travel in past 14 days - Have you lived in this general location for the past 14 days, no travel out of the region?

Upon arrival at the facility

- Players will be dropped off at the entrance to the indoor facility. It is important that you arrive 5-10 minutes **before** the beginning of practice. **NO EARLIER PLEASE.**
- **It is mandatory that players wear a mask at all times, including during the training session.** This is a mandate from Afrim's Sports for all activities.
- Players will be instructed where to put their gear and wait for practice to begin.
- Attendance will be taken at each practice.
- Coach will ask general question regarding players well-being, instructing the players to inform them immediately if they feel sick in any way during practice.
 - **Please Note** - If the athlete has any signs or symptoms of COVID-19 they will be sent home and instructed to contact their health provider. Players will not be allowed to return to training until they are cleared by a healthcare provider. A doctor's note must be provided to return to training.

During Practice

- Players will keep their masks on at all times and follow all instructions from the coach.

End of Practice/Departure

- Players will be accompanied by their coach at the end of practice and escorted to the front lobby to wait for their parents to pick them up by the front door.
